

4- Day Training Agenda - UL

ENERESE project			
Course “ Renewable and low-ex technologies for energy supply in high energy efficient buildings » to be given by prof. Sašo Medved and assist. prof. Ciril Arkar at the State University of Novi Pazar			
Day 1 (Monday 9 June 2014)			
Time (start)	Break	Duration	Topic
18:00	20:00	2hrs	Module 1 Energy sources: energy carriers and fuels
Day 2 (Tuesday 10 June 2014)			
Time (start)	Break	Duration	Topic
09:30	11:30	2hrs	Module 2 Energy efficient buildings and energy labeling
12:00	14:00	2hrs	
14:15	15:15	1hr	Course Conclusion – Discussion
Day 3 (Wednesday 11 June 2014)			
Time (start)	Break	Duration	Topic
09:30	11:30	2hrs	Module 3 BAT (best available technologies) for heat generation in buildings
12:00	14:00	2hrs	
14:15	15:15	1hr	Course Conclusion - Discussion
Day 4 (Thursday 12 June 2014)			
Time (start)	Break	Duration	Topic
09:30	11:30	2hrs	Module 4 BAT (best available technologies) for electricity generation in buildings
12:00	14:00	2hrs	
14:15	15:15	1hr	Course Conclusion - Discussion
Time (start)	Break	Duration	Topic
